NJLM

**New Jersey's Statewide
Association of Municipalities**

The New Jersey State League of Municipalities (NJLM) is New Jersey's association of municipalities. NJLM represents all 566 municipalities at the State Legislature, before the State executive branch and regulatory agencies, to the media, public and in the courts. NJLM provides members with a wide array of other services, including legal assistance, individualized inquiry service, assistance in municipal labor relations, technical assistance and training, policy development, research and analysis, publications, informational and service programs, online resource centers and advisory services. Federal representation is provided by NJLM in conjunction with the National League of Cities. NJLM was founded in 1915.

NJLM is governed by an Executive Board, elected by the member municipalities, with due consideration given to geographic representation, municipalities of different sizes, and balance of political parties. Numerous committees of municipal officials participate in the development of policy and programs.

NJLM headquarters are located in Trenton.

Your Invitation to Support the

Three Levels of Support to Match Your Goals

Recognition Program Registration Form

The executive board of the New Jersey State League of Municipalities has established **three levels of recognition** for our corporate friends: the *League Corporate Supporter*, the *League Gold Dome Supporter* and the *League Platinum Supporter*. In appreciation of your annual support, each level offers distinct recognition for your company so **New Jersey municipal officials can identify your company as a League Supporter.**

League Corporate Supporter

This \$1,500 **basic level of support** recognizes your company supports the mission of the League. You will receive an annual subscription to the League magazine *New Jersey Municipalities*. You will also receive the annual *Municipal Directory*, which can help you keep in touch with your municipal clients. And, in order to keep pace with the League’s legislative agenda you will receive the periodic *Legislative Bulletin*. As a way of saying “thank you” we will also send you a certificate of recognition, identifying your company as a League Corporate Supporter.

League Gold Dome Supporter

This \$4,000 level of support is **high-level corporate recognition** for companies that support the mission of the League.

To start, your company’s recognition includes receiving the periodicals *New Jersey Municipalities*, *Legislative Bulletin* and *Municipal Directory*.

Your company will also receive one free registration to attend all League half-day education seminars for the year, the Annual League Conference and one ticket to the Conference Luncheon held Thursday of the Conference week.

There will also be high profile recognition of your company’s support through a listing in 9 issues of *New Jersey Municipalities*, a listing on the League web site (which can be a link) and a certificate of recognition identifying your company as a Gold Dome Supporter. Municipalities across the state will certainly appreciate your high level of support for the League and its mission.

League Platinum Supporter

This \$5,000 level of support offers your company **the highest level of recognition**. You get all the benefits of the Gold Dome level plus you have exclusive use of the Platinum Supporter logo to instantly and closely identify your company as a League supporter; and most importantly, you have access to limited high-profile sponsorship opportunities that are not offered to any other companies. Platinum sponsorship opportunities are constantly upgraded and modified to meet your needs. Some current options include advertising in the Annual Conference Exhibitors Program book and sponsorship of the on-line and printed exhibit floor plan.
